My dear Leslie

How are you getting on. I often think of you helping Mum. When I come home I shall want to know all you have learned. Tell Mum I was very disappointed at no letter today. I have only had one since I have been here. Are you having nice weather. Now it is lovely here all sand as it is close to the sea. You could build some fine castles here. Now I must close with love to Mum son Ron (B..?)& (B..?) & your dear little self  
From your loving Dad. Xx
