My dear little Lalie

I wonder what you are
doing now. I often think about
you I expect you are grown quite
a big boy now when I come home
I am going to have some jolly games
with you all. Cricket Football &
All sorts & while you feed at night
Have you heard anything fresh at
School lately. Now I must close
with heaps of love & millions of
kisses to my dear little pet

My dear little Leslie

I wonder what you are doing now. I often think about you. I expect you are grown quite a big boy now. When I come home I am going to have some jolly games with you all. Cricket football & all sorts & tickle your feet at night. Have you learnt anything fresh at School lately? Now I must close with heaps of love & millions of kisses to my dear little pet.

From your loving
Daddy
