I shall be my own
up before I come home

My dear little Son

Thank you so much for
that lovely letter you sent me
& you wrote it so nicely you
must be getting on well at school

Do you play cricket now. I often
picture you having a nice game at
night. Fancy you still cutting Uncle
Jack's Paper. I expect you are getting
quite a big banking up. How old
are you now. I must close with heaps of
love & kisses to your dear little
self

Dad

I shall tie my nose up before I come home

My dear little Son

Thank you so much for that lovely letter you sent me & you wrote it so nicely. You must be getting on well at school. Do you play cricket now. I often picture you having a nice game at night. Fancy you still cutting Uncle Jack's Paper. I expect you are getting quite a big banking a/c. Now old chap I must close with heaps of love & kisses to your dear little self.
