My dear little sister

Will my little pet know
are you getting on. I expect if
you saw Daddy now you would
laugh as I am very dirty not having
a wash I look just like you do
sometimes when you come in
from play only you have more
to wash you & I have not Mum
not waken from my pet I will
close with heaps of love & kisses
To your dear little self
Love your loving

My dear little Leslie

Well my little pet how are you getting on. I expect that if you saw Daddy now you would laugh as I am very dirty not having a wash. I look just like you do sometimes when you come in from play only you have Mum to wash you & I have not Mum nor water. Now my pet I will close with heaps of love & kisses for your dear little self.

From your loving

Dad
