My dear little Leslie

Many happy returns
of the day as the wish of your Dad
I hope you will have lots of fun I
expect your ears will burn as Daddy
will be thinking of you both all day
long. Daddy is a long way from shops
so I cannot get you anything but when
I come home I shall see what I can do.
I was so pleased to hear from Mum that
you were such a good boy. my word
I shall have a lot of kisses to give you
when I get back. You must write & tell
me what presents you get & everything you
do on your birthday now my job I must
close trusting you will all have a lovely
day & dont forget I shall be looking behind
the door in thoughts with heaps & heaps
of love & 1000000000000000000000000 kisses
xxxxxxxxxxxxx from your loving xxxxxxxx
xxxxxxxxxxxxx Daddy xxxxxxxx
