My dear Alan

I have just received
your nice letter & thought I must
answer it I will answer Gerald & Cons
first chance I have, & tell Ben I want
one from him with a lot of bad little
pieces. Fancy you getting that certificate
for scripture I am pleased think you keep
it nice clean for Daddy to see when
he comes home. I expect you are a big
help to Uncle now. Fancy you following
all the roads I shall want you to show
me round. my sure you will have a lot
to tell Daddy. I often wonder what you
are doing. The boys out here drive big
dogs in a cart just like a horse & they
do such a lot of work they wear harness
just the same as a horse I expect you
would like one to drive How did you

enjoy yourself at the zoo with
Jack. It was very kind of him wasn't
it. We will have some bread when
I come home I shall have to ask your
teacher to let you all have a holiday.
Have you had any raids lately. I
hope not. My word old man didn't
you have a summer Sunday. I should
just like to have been with you
I expect you would give Dad some
Now I must close with heaps of
love & kisses to your dear self
